Gelsenkirchen, 14.02.2012

TEST CERTIFICATE (Prolongation of test certificate W-139414e-06-SI)

on the propagation of microorganisms on the surface of materials used in the area of drinking water pursuant to the statutory provision DVGW Technische Regeln (technical directions), work sheet W 270, as of November 1999

Client: LATI Industria Termoplastici S.p.A.
via Francesco Baracca, 7
I-21040 VEDANO OLONA (VA)
ITALIA

Test material: LATILUB 95-25GR CE/10 BLACK W:3339

Test method: Material test

According to test report **W-139414e-06-SI** of 17.05.2006, the material **LATILUB 95-25GR CE/10 BLACK W:3339** is conform to the requirements for the use in the area of drinking water systems pursuant to DVGW Technical Standard W 270. Details regarding testing procedure and test results are itemized in the test report.

This test certificate is valid from the date of issue and, given that the conditions and requirements remain unaltered, expires on **17.05.2016**.

The Director of the Institute
p.p.

Dr. Ch. Schell
Head of Laboratory
Department of Water Hygiene and Environmental Microbiology

The test results and assessments refer exclusively to the examined test specimens and all applicable statutory regulations. The validity of the document expires in case of modifications in the composition of the material or the processing conditions. This present document may only be published and reproduced unabridged and unaltered. This document is no DVGW certification.
